Dear Parents and Community,

## Pirate Day – Arrghh!

Congratulations to all the EMPS Pirates for raising over \$360 last Friday. The entire school had a short parade, followed by a short walk across the plank to donate money into a treasure chest. Finlay Phillips John provided an explanation of childhood brain cancer and some of the statistics associated. Thank you everyone for your donations and support of the day! For more information go to: <http://www.piratedayfriday.com/>  
*What sort of alphabet do pirates use? The arrgh-phabet!!*

## Parent Survey

As part of the response to the parent survey the school would like to invite parents to make contact with their classroom teacher, if they have concerns regarding the performance of their student(s). Teachers do make contact with parents if they are concerned with academic progress or behaviour, but parents should feel free to initiate meetings if they have concerns. Please contact the teacher directly or email the school using the address on the newsletter.

## Reports

Student reports will be sent home in the last week of school. Please read through the report thoroughly and use the information on the reverse side of the front sheet to help understand the categories used in the report.

## Healthy Kids

As the cold/flu season kicks in it is essential that students are getting the following:

- Lots of water: even though it's cold students need around 1- 1½ L of water every day.
- Sleep: between 10-12 hours.
- Keep active and healthy. A ride on the bike or participating in a sport helps keep our bodies strong.
- Lots of fruit and vegies: keep the good nutrients high and the fats/sugars low.

## Healthy Lunch Box Tips

- Don't buy items targeted at children! They are usually much more costly and often have more sugar than the original!
- Be prepared for lunches! Stock your cupboard and freezer with healthy options and cook extra at dinner for the next day.
- Don't be afraid of giving children the same healthy lunch if they like it.
- Buy fruit when it is in season. It will taste better and last longer. Kids don't need different fruit everyday.

## Chaplaincy Celebration

Last Wednesday night a celebration of the chaplaincy program across the schools in Manjimup was held. The night outlined the following information about our chaplains:

*Who do we talk to?*

74% students    19% staff    7% parents

*What do we talk about?*

19% family relationships    19% peer relationships  
8% mental health    5% behaviour

*What programs are run?*

4124 breakfasts served  
9 physical programs  
9 community & mentoring programs  
18 social & emotional programs

## Reminders:

- Web Site – Please take a moment to have a look through the wonderful web page the school has. The address is:  
<http://www.eastmanjimup.wa.edu.au>

Have a wonderful fortnight!

Jeremy Hadlow  
Principal
