Dear Parents and Community,

Staff Update

- I would like to farewell Mrs Fullam as she takes some leave for the next 6 months of this year to undertake some travel. Mrs Fullam will be replaced by Ms Sarah Buegge who will take over in Room 5. We wish Mrs Fullam a wonderful break and look forward to her return.
- Mrs Susan Griffiths will be undertaking a new role at MSHS next term and will therefore be leaving us for at least one term. We will announce our new AIEO next term.
- Our Language Assistant Syahrial Umar (Rial) will be leaving us at the end of this term. Throughout the term Rial has been assisting classes across the school in both Indonesian classes and mainstream lessons. We would like to thank him for his hard work and wish him well for the future.

Interschool Carnivals

On Tuesday & Friday next week our students will be participating in the Interschool Athletics Carnival held between Bridgetown PS, Kearnan College, Manjimup PS and EMPS. I would like to wish our athletes all the best as they represent our school and encourage our parents to come down and cheer them along. Events on Tuesday commence at Kearnan College at 9.30am and at Imperials Oval on Friday at 9.30am.

Easter Raffle

Thank you to all our parents, community and students for your contributions and support of the Easter raffle this year. A big thank you to the parents who came into the staffroom to help package up the 48 prizes! The P&C raised over \$1000 and lots of families and individuals walked away with lovely prizes.

Three Program

Our wonderful pre-kindergarten program will commence next term. The sessions will be coordinated by Mrs Karen Markovski and will run from 9.15am to 10.15am. The program will run on Mondays for the rest of the year and will provide our young future students with an excellent introduction to our school. If you know someone with a young child born between **July 2012 and June 2013**, then please tell them about this wonderful program.

ICT Funding

As part of the government's focus on providing improved technology within schools, EMPS was provided with a dollar for dollar investment of \$23,000. The school has accepted this offer and has used these funds to update and increase our technology throughout the school. 42 new iPads and 16 new desk-top computers have been purchased and will be used throughout the school.

Maintenance Program

Over the April holidays a number of classrooms and the front office will undergo some painting and replacement of carpet. A number of classrooms will also be receiving new blinds to assist with the increased use of the digital projectors. We look forward to seeing these new additions next term.

Parent Survey

Please use the link in this week's newsletter to complete the survey online or come into the school and we will provide a computer to use or provide a hard copy of the survey. Copies of the survey will be available in classrooms as well.

PLEASE take some time to share your thoughts and provide feedback. Without input it is very difficult for the school to improve or modify our programs/procedures.
