How exciting to be back at school! That first day feeling of fresh and unknown adventures was in the air, as our students returned to join their old friends and make new friends in their new classes. Parents shared tales of children wanting to sleep in their school uniform for a quick getaway, early rising and well packed bags.

There were a few mid-morning yawns, as the early rise caught up with them, but it was great to see so much enthusiasm on this bright February day.

Welcome back to school everyone, including all our parents and caregivers. We are looking forward to many milestone achievements this year. 😊
