

A Father's night...to remember!

On Wednesday 31st August Kindy 2 had a special Father's night and invited their Dad, Poppy, Uncle or significant male to come along and have a little snapshot of what we do at kindy during the day...AT NIGHT!

Kindy 2 were very excited to come along to Kindy at night to see the lights on. We got our favourite males to join in with painting, gluing and even had a little 'shave'. It was lovely to see everyone joining in, especially when it came time to sing songs and have a little dance.

Thank you to all who attended. Here are some photos of what went on:
