

# Bush Kindy Camp

The winter weather was kind to us when we set out to explore the bush across the road from the school!  
There were enough puddles for wetting the gumboots and sliding in the mud!

We arrived at our 'camp site' (in the school) to find the fire already lit by our amazing Mr Nash!  
It was time for sausages in a bun and marshmallows!

Everyone was ready for a story in the tent by torch light, followed by crafty things to do with our bush collections!

By the time the rain greeted us we were ready to return to our kindy classroom!  
Thank you to Mr Nash, Samantha and Mel for making it such a special camping day!
