

Winter is here and there is no better place to shelter from the cold and rain than our wonderful, and warm library.

You can relax with a good book or give your brain some exercise with a game of chess.

It's also nice to share a book with some good friends.

With so many great titles to choose from finding a book can be half the fun.

Mrs Rigoll does a fantastic job but she can always do with a little extra help.

Thanks Bailey!

Our library has something for everyone so, if you haven't been there recently then:

CHECK IT OUT!
