Dear Parents and Community,

Welcome back to the final term for 2016! Hopefully we will start to see a little more sunshine this term!

Spring Carnival

Today our Year 4-6 students participated in the Spring Carnival. Soccer, hockey, netball and football were played around various venues in Manjimup with MSHS students helping to coach and umpire. Thank you to the many parents who took the opportunity to go along to one of these events and support the students as they participated. Congratulations to all the students for their participation and good sportsmanship.

No Hat – No Play!

A reminder to all parents that students require a suitable hat if they wish to play in the playground at recess and lunch. Students not wearing hats or appropriate hats (caps, hoodies etc) will be sent to undercover areas.

Swimming Lessons

Rooms 1- 4 will be undertaking swimming lessons for the next two weeks. Please ensure that students have plenty of sleep, healthy food and lots of water over this time as they tend to tire quickly with school and swimming. Staff would also greatly appreciate any assistance available at the pool when students are changing.

Gala Day

Please mark **Saturday 5th November** into the calendar and let your family and friends know that EMPS will be holding our bi-annual Gala Day at the school from 9am-2pm. Students and staff will be participating in the day, but we also needs lots of parent support and involvement. Please chat to your classroom teacher or a P&C representative about how you can help out on the day.

Gala Day request. Do you have any DVD's or Wii / Xbox games that you or the kids are finished with? If so and they are in good condition please dig them out and send them into school. Donations can be brought into school at the front office.

Car Park Line Marking

Following much discussion, we will be having some reorganisation in the car park to improve safety for our students. Next Tuesday, weather permitting, the lines will be remarked so that the town side will be reverse parking only, and the school side will remain drive forward. The work will begin after the morning drop off and be completed before afternoon pick up time. If you will be at school during the day, it would be appreciated if you could park elsewhere for the day. The improved visibility of pedestrians will be safer for everyone.

Reminders:

Website – Please take a moment to have a look through the school's website. <http://www.eastmanjimup.wa.edu.au>

Have a wonderful week!

Feeling Unsure? Knock on a Safety House Door!

The Safety House Contact Number Cards are very similar in size to a standard credit card, made out of hard plastic and printed with the child's basic contact information details.

For personal safety reasons there is no address or family surname on the card, just sufficient information that will help the Safety House person or trusted adult contact the right person and school as quickly as possible if the child is in need of help.

The Contact Number Card is available exclusively from Safety House WA Inc. for any family to order. The card can then be kept safely in the child's school bag just in case they ever need to give a contact number when they are hurt or upset.

HOW TO ORDER A SAFETY HOUSE WA CONTACT NUMBER CARD

A special limited time deal has been done between the Manjimup District Safety House group, local Primary Schools and Safety House WA Inc. to make the Safety House WA Contact Number Card available to Parents and families **free of charge**.

To order your Contact Number Card please complete the form at your local Primary School Office with details of the child's first name and a MAXIMUM of 2 contact names and numbers.

There is no limit to the number of children for whom you may order free contact number cards.

This offer will be available during the month of November 2016 and once all the orders are received the printed cards will be delivered to the Manjimup District Safety House group and they can be picked up.
