Dear Parents and Community,

Spellademic

Congratulations to all the students who participated in the Spellademic yesterday. Our teams performed very well with a third place in the Yr 3/4 competition and 5th place in the Yr 5/6. Congratulations to all the students for their participation and team work. A big thank you also to Mrs McCredden, Mrs Harrington and Mr Percival for hosting the day. Eight schools enjoyed the challenge.

P&C Fun Run

Thank you to the P&C for their coordination of the Fun Run last Friday. Our Kindy students were able to participate this week (in slightly better weather) but all students enjoyed the activity and raised some funds for our P&C. Thank you to Mrs Hort and Mrs Scanlon for the organisation of the event.

Talking Drugs – Information Session for Parents

As part of the national and state strategy to address methamphetamine and other drug use behaviour, the Department of Education and School Drug Education and Road Aware (SDERA) are hosting a free 'Talking Drugs' information session for parents. This 1.5 hour session will focus on patterns and prevalence of methamphetamine use, how School Drug Education works and how parents can talk to young people about drugs and drug use. The session will be held at **Manjimup PS on Tuesday 14 September 6.00pm – 8.00pm**. Please **RSVP** via the East Manjimup PS front office.

Children's Book Week 2016: Theme - 'Australia, Story Country'

We are celebrating book week from 29th August- 2nd September. Our Library will be dressed to impress, with displays reflecting this wide-ranging theme.

Wednesday Nature Play: You are invited to come along between 12.50 and 1.20pm to have a look at our children at play in the Nature Playground. You may even like to balance on the new balance rope course or help make a cubby.

Wednesday Learning Journey (1.20-3.00pm): Parents and caregivers are invited to come along to school and enjoy a visit to their child's classroom. Your child will show you around and explain how they undertake learning activities.

Thursday Dress-Up Parade (9.00-9.30am): Students should put their thinking caps on and come up with a favourite book character or a costume to fit in with the theme. We love to see children create a costume from what they already have at home. If possible, bring along the book to show others during the parade.

Complaints Management Process

From time to time complaints are made to the school for a number of reasons about a range of varying issues. The school is happy to receive and deal with legitimate complaints, but would request that these are made in an appropriate manner using the appropriate process, which is available on request through the front office. Use of social media as an avenue to advertise a complaint is not a suitable process.

NAPLAN Results

Year 3 & 5 students will receive their NAPLAN results today. Please take a moment to read over these results and explain them to your child. As with all NAPLAN results teachers will be looking over cohort information to address areas of need.

Reminder Website – Please take a moment to have a look through the school's wonderful website.
