

Australia: Story Country

What a great theme we had for Australian Children's Book Week this year. Our students were able to have a look at all the shortlisted books which were in the competition, in readiness for them to be available for borrowing shortly.

Our school celebrations included a colouring competition and, as always, the library was dressed to impress and inspire active reading. It was packed with Australian icons and artefacts, each of which tells a story of either fact or fiction.

Some of the displays included:

- Aboriginal Artefacts
- Bush hut complete with campfire
- Sydney Harbour Bridge
- Saddle and kitbag
- Tools from days gone.
- Australian animals
- Lots of great artwork
