

HEAD STUDENT ELECTIONS

The process for the election of our 2017 Head Students is underway and will be finalised during the coming days. Year 5 students had the opportunity to apply for this position, by writing a letter outlining why they thought they would be a good candidate to be a part of the school student leadership team. The students who decided to give this a go, had the opportunity to join a briefing session, which provided some guidelines for how to best promote themselves to the student population.

From these letters, a shortlist of four boys and four girls was selected to present an election speech to the years 3-5 students. The speeches were of a very high standard, with some humour to keep the audience entertained. It was a very difficult task for the voters, who chose two boys and two girls to vote for.

The results of the election will be announced at the end of year awards nights on Dec 13th.

The shortlisted candidates as shown in the photos below: Lilly Osboine, Callum Walsh, Jessica Gill, Emily Snell, Tayla Minchin, Lok Ylioff, Tharun Prithviraj, Jordan Pinelli.
