

Musica Viva's "MARA" a Big Hit

Our students were treated to a top quality musical experience when Mara visited our school. This group of five musicians played a wide range of instruments, including the alto and tenor sax, tapan drum, recorder, lutes and the bass. They really captured everyone's interest, playing folk music from many countries, including Australia, Bulgaria and Macedonia.

There were plenty of opportunities for the children to get involved and active, clapping and singing along. Thanks to all the families who supported bringing this high standard of music education to our students.
