

Open Day at School

It was great to see so many happy and interested parents and family members join their children in the classrooms to share the challenges and achievements that have been happening this year.

Our junior students enjoyed a social time in their classrooms, explaining with the great delight that only youngsters can manage. How excited they were to let others know about their visitors.

A big thank you to everyone who took advantage of this wonderful opportunity to be a part our students' education.

The presentation in Cluster 3 displayed the pottery decoration produced by our senior students, as well as their reflections on the opposing emotions of Happiness and Sadness, recorded and hung as mobiles.
