A sunny morning, a drizzly afternoon.

That’s what happened on Friday when we gathered to enjoy the annual P&C Fun Run. Just as the older students headed out on their orientation lap, the rain came down and really added some character to this already fun event. Fortunately the younger students were able to wait a little while and they were only slightly damp at the end of their run.
Everyone gathered after the finish and enjoyed the reward of an icypole. Many thanks to the main organiser, Sharmain Hort, along with her helpers Bronwyn Scanlon, Fiona Browne and Jess McNeven. Thank you also to everyone who sponsored the children. We look forward to the donations being brought in and the students receiving the prizes they earned in the rain.
