

Preparations for Gala Day

Classes, staff and community members have all been busily working away in preparation for the school's Gala Day which is quickly approaching. Saturday November 5th from 9.00am till 2pm is when all the fun and action will be happening at school, with heaps of stalls, food and activities to enjoy.

Some of the stalls that classes are working on are: Plants and all things garden, The Copper Shop, face painting, sausage sizzle, cool drinks, icecreams, cakes, DVD's, art and crafts, water slide and a Tombola stall. Other attractions include an Entertainment Zone, Car Balloon Guess, showbags and a monster raffle.

This is not only a fundraiser for the school, but a part of our program to teach students about community service. Come along and join in the fun.
