

Spring Carnival 2016.

Our students had a terrific day out at the annual Spring Carnival, competing in netball, hockey, football and soccer against Manjimup PS and Kearnan College. The day was organised by MPS with the MSHS students undertaking a large degree of the planning and operating of the event. Thanks to everyone for organising such a fun day.

It was an Inter School Competition but there was still time for the discussion of important matters between members of different teams.

The netball courts were filled with players putting in their best endeavours and consolidating their skills.

An example of the East Manjimup Primary School team running away with the game.

Congratulations to the East Manjimup Primary School award winners. Ruby, Lily, Ava, Chanelle, Trent, Lok, Cayden and Tayne all won the Sportsmanship Medals in their chosen sport. Well done everyone.
