

# The Snail and the Whale

by Julia Donaldson  
Illustrated by Axel Scheffler

My favourite character is the eagle it stays in the Air  
because it is so my favourite and my other favourite  
character is the whale because it is big it is  
another favourite. by Brodie

My favourite part of the story is when the whale got stuck on the beach by Ian

My favourite character is the shark because they had a cheeky face by Jasper

My favourite character was the whale. And the snail said help. The whale said he would take the snail around the world.  
By Lilly

My favourite character is the snail because it is very clever at writing. I love the detail on the snail. I loved how the snail used his tail to make the trail. bye EMILIA
