PRINCIPAL'S NOTES

Dear Parents and Community Members

I hope families are coping well with the 'tired' end of the term and at the same time enjoying the re-emergence of the Sun.

O'Connor St Crossing and School Car Park

Could all families crossing O'Connor St please use the road crossing. Before and after school O'Connor St is very busy with cars, buses, pedestrians and cyclists. The road crossing area with bollards is the safest place to cross the street. However, please note that vehicles have right-of-way at the crossing – pedestrians must wait for on-coming vehicles.

The car park is also a very busy place, especially at 3.00pm. I urge all drivers to keep a keen eye out for pedestrians both in the car park and on O'Connor St.

Bike Shed

At 3.00pm each week day the school bike shed is unlocked and remains unlocked until the start of school the next morning. We have had two incidents of students who came to school on scooters (and placed them in the bike shed) who then went home by car (before home time, due to appointments), leaving their scooters in the unlocked shed. Unfortunately, both scooters were stolen overnight. Bike and scooter users – please remember to take your bike/scooter with you each day.

Spellademic

Well done to Mrs Prosser and Mrs Harrington in organising a terrific 2017 Interschool Spellademic competition last week. Well done also to our four student teams and congratulations to the year 5/6 team of Cameron Bames, Emily Snell and Cameron Leoni Arnott in achieving second place.

Book Week

Well done and thank you to all students (and staff) who dressed up on the Tuesday of Book Week. What a sight our staff and students were in walking through the town centre, and enjoying time at both the local library and repertory club.

Sick Students

If your child is sick eg: (Upset stomach, cold symptoms) please keep them at home until they are better. This does reduce the risk of sickness spreading throughout the school and also provides the best place for a sick child to rest and recover. If your child has been absent sick from school please do inform the school in writing, email, Skoolbag, phone or in person.

In certain circumstances a school can request a family provide a medical certificate to make certain a child is absent for legitimate medical/health reasons.

School Development Days Term Four

A reminder that Monday 9 October and Tuesday 10 October are school development days at East Manjimup PS – students do not come to school.

THE PEOPLE'S PICK

Do you have a favourite teacher or support staff member?

Now is your chance to shine a spotlight on our incredible teachers and school staff members and tell the world what makes them shine.

As part of the WA Education Awards, The People's Pick is an opportunity for parents, students and our community to get involved and recognise the dedicated and talented staff in our school.

Simply pick who you want to recognise; create a video, photo or testimonial showing what makes them incredible; and upload your message at education.wa.edu.au/awards or on [Facebook.com/PublicEducationWA](https://www.facebook.com/PublicEducationWA).

Then share the message on your Facebook page and tell your family and friends to vote for it. If a message for one of our staff receives the highest number of votes, our school will win a \$1000 Modern Teaching Aids voucher.

Share your message before 5.00pm on Friday 13 October 2017 and stay tuned. The People's Pick will be announced on Friday 27 October on World Teachers' Day and all staff recognised will be acknowledged at education.wa.edu.au/awards.

Some practical tips about children

I have found a fascinating article from Parenting Ideas Schools and would like to share some of the information over the next months. The second one *Set limits with respect, not criticism*
 Due to the fact our kids need to learn literally everything about the world from us, they will require many limits throughout their day. Without proper limits in their environment, kids will feel anxious and out of control. Limits can be delivered in the form of criticism and shaming, or they can be communicated in a firm but respectful way. Think about how you appreciate being spoken to and go from there.

Regards

Michael Smith

Mindfulness

We can often spend time with full and tangled thoughts constantly whirling around our minds and then we miss the joy of the present moment. When you're mindful, you're able to pay attention to the present moment, and not get swept up thinking about the past or worrying about the future.

Mindfulness has been shown to help manage stress, build resilience and compassion, improve focus at work or in the classroom and can help with creativity and collaboration.

Adults and children can benefit from mindfulness, especially those who have a busy or restless mind or are experiencing stress, anxiety or other mental health issues.

To learn more about mindfulness for children and young people go to <https://www.kidsmatter.edu.au> or <http://au.reachout.com>. If you would like to try an online mindfulness meditation program for yourself or your child check out [Smiling Mind](#).
