

“Escape to Everywhere”
Book Week 2017

PART THREE: MANJIMUP LIBRARY VISIT

It turned out to be perfect weather for our Book Week characters to stroll through town to the Manjimup Library.

Once settled, the group was welcomed by Librarian Frances Bullock, who told them a little about what is on offer at the library for everyone who lives in Manjimup. She also talked about Children's Book Week and some of the activities they could take part in. Children's Librarian, Gina, then read the children the book "Chip", by Kylie Howarth.

Mrs Bullock introduced the children to the online "Storybox" website, where famous authors read stories on video. This site is accessible to any library member. The children listened to "Home in the Rain" by BobGraham, which was a really popular choice.

Head Student Jessica thanked the Librarians for hosting EMPS, and inspiring the students to enjoy reading. Then it was time to head back through town and back to school. What a fun morning, being able to “Escape to Town”.

A HUGE thank you to everyone who assisted with this great experience, especially our wonderful librarians.
