

IT'S CELEBRATION TIME!!

Mrs Bradley is celebrating 30 years in our school canteen and retiring next Friday 28th July.

We will be celebrating by having "Lunch with Lyn"!

The whole school will join Mrs Bradley in the canteen undercover area for Lunch. We will have a special "Party Box" available for \$5.00. The box will include a party pie, pizza slice, sandwich quarter, chicken nuggets, finger salad and apple crumble cup.

This special will only be available Friday 28th July, please order by writing "PARTY BOX \$5" on your lunch order.

Students not wishing to order the special can bring their lunch with them and normal canteen menu will also be available.

REUSABLE STICKY BEAK LUNCH BAGS

Keep an eye out for our new Reusable Lunch Bag order form. The canteen is promoting the use of reusable lunch wallets and insulated bags. Money and orders are securely placed in the wallet and which then converts into a lunch bag in which the student's lunch order is packed into and returned in the class basket. These wallets can be used instead of envelopes. They are a secure and environmentally friendly option. The wallets are available in 8 colours and the insulated wallet option is available in 3 colours. Also available is a swimming/library bag which will be handy with swimming lessons later this term for some classes.

CANTEEN HELPERS

We are on the lookout for some parents who would be interested in volunteering their time (1-2hrs) once a term and helping out in the canteen. If you are available on a Tuesday, Wednesday or Thursday between 10:30am and 12pm can you please fill out the slip below and return it in the class lunch basket or email

Sarah or Nicole at the canteen at empscanteen@hotmail.com.au.

We only require assistance with food preparation and no serving is involved. 😊
