

## Room 3 Assembly

Reported by Chanelle Harfouche and Nakiyah Herman

On Friday the 28<sup>th</sup> of July we put our dancing shoes on and we took a step back in time. It was a popping assembly. Room 3 had a fantastic and colourful assembly. They took it back to the 80's.

Room 3 made some cool 80's artwork; it was so awesome they did a stunning job. For P-pPrimarys and Year Ones, it was really out there.

Jace Carpanoni and Acadius Lawrence had so much fun dancing and speaking for their first assembly.

Adele Barber did a fantastic job with her part in Room 3's assembly.
