

Community Hero

Written by Ashtyn and Owen.

On the 2nd of August we had a special assembly where Peter Dorman was awarded with a community certificate. Peter is also a part of the Lions club. The Lions club raises money for Lions Eye Foundation which contributes to fundraising for eye disease research. Many people may know Peter from Breakfast Club. He is an important part of our Breakfast Club system. He is kind and we really appreciate him being in our school and community.
