

# BANNERS IN THE TERRACE

The Shire of Manjimup this year partnered with the East Manjimup Primary School to complete an entry for the annual Local Government Week competition, "Banners in the Terrace".

The Pre Primary and Year 1 students worked with local Artist Sarah Connor and parent helper Emma Fagan to produce the colourful banner entry with the theme ""Ready and Relevant". Silhouettes were drawn of the children reaching up to catch, ready to take over from us and lead the next generation.

Shire President, Paul Omodei said "Every year the Shire partners with a school in the Shire to complete a banner for this project and this was a great opportunity for young EMPS students to become more involved in the arts and a significant regional community project".

The banner will be displayed from 22<sup>nd</sup> July to 28<sup>th</sup> July 2018 on Adelaide Terrace, pole number 37 which is located near the intersection of Victoria Avenue and Adelaide Terrace. The best day on a weekend to view the banner is Saturday 28<sup>th</sup> July. It will be removed Saturday night (11:30pm).

There are previous Banners in the Terrace examples hanging up in the Aquatic Centre. When the 2018 EMPS banner is returned to the school it will be displayed for a time at our school and then will be displayed in the Aquatic Centre.
