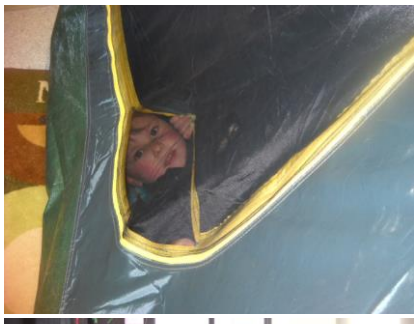
A camping we will go!

We have been investigating places where we live, looking at different houses and making our own home. We all thought it would be fun to stay in a tent so one day we set the tent up INSIDE the kindy! We all squeezed inside and had a story in the tent.



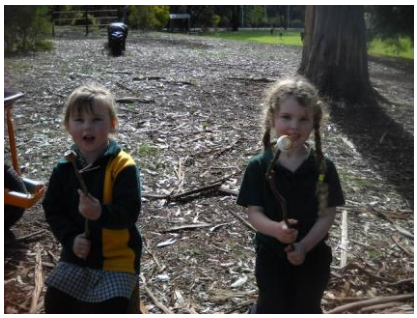
It was fun to have a tent inside, but we really wanted to experience camping in the great outdoors.

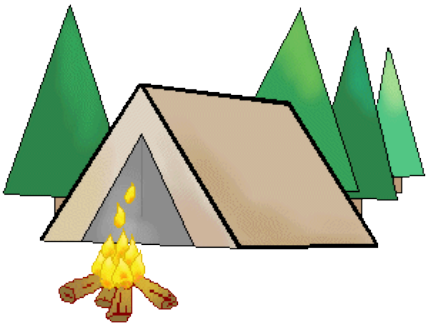
So off we went to the Nature playground, our favourite outdoor place.

We set up our tent and Mr Nash very kindly lit our fire for us in the brazier.

We then cooked some sausages and enjoyed the wonderful BBQ taste of campfire sausages!

After our yummy sausages and a play, we came back for campfire marshmallows. Mrs Griffiths was an expert at cooking marshmallows, and cooked them just right, no burnt bits!





We had so much fun camping in the nature playground, but the BEST thing about the whole afternoon was…….WE SAW A REAL FROG!!!!!!
