Things we do, part 2

Here are some more things Kindy 2 have been doing this semester:

During Autumn, we talked about deciduous trees losing their leaves and discovered our very own deciduous tree in our yard. We had a go at drawing our tree without leaves and noticed all the lovely lines we could see.

We had fun with construction and had a go at stacking cups. We found you had to stack them in a certain way or else our tower would collapse!

We did not let the wet and cold Autumn days deter us from enjoying outdoor play:
