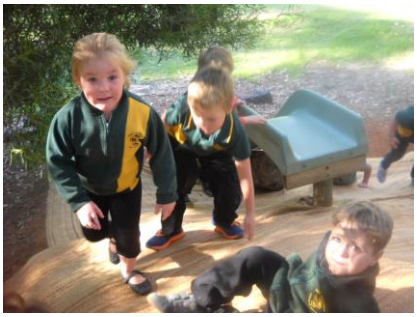
We LOVE our wonderful Nature Playground!

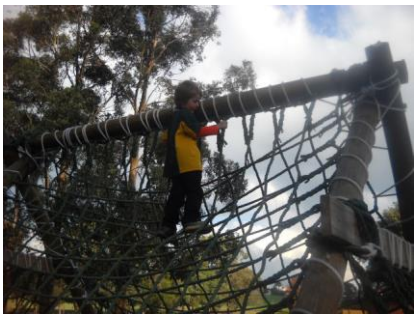
Every Wednesday, Kindy 2 visit the Nature Playground with much enthusiasm. We love to challenge ourselves by climbing, balancing, jumping, swinging, sharing and trying new things.

As soon as we get there we whizz off to our favourite equipment, happily taking turns and encouraging each other.

As well as building our fitness, it helps us to try activities out of our comfort zones….can I balance on that log? How high can I climb that rope ladder? We love to cheer on our classmates as they try new physical challenges.

Look at our favourite areas:





We are so lucky to have such a wonderful Nature Playground in our school!
