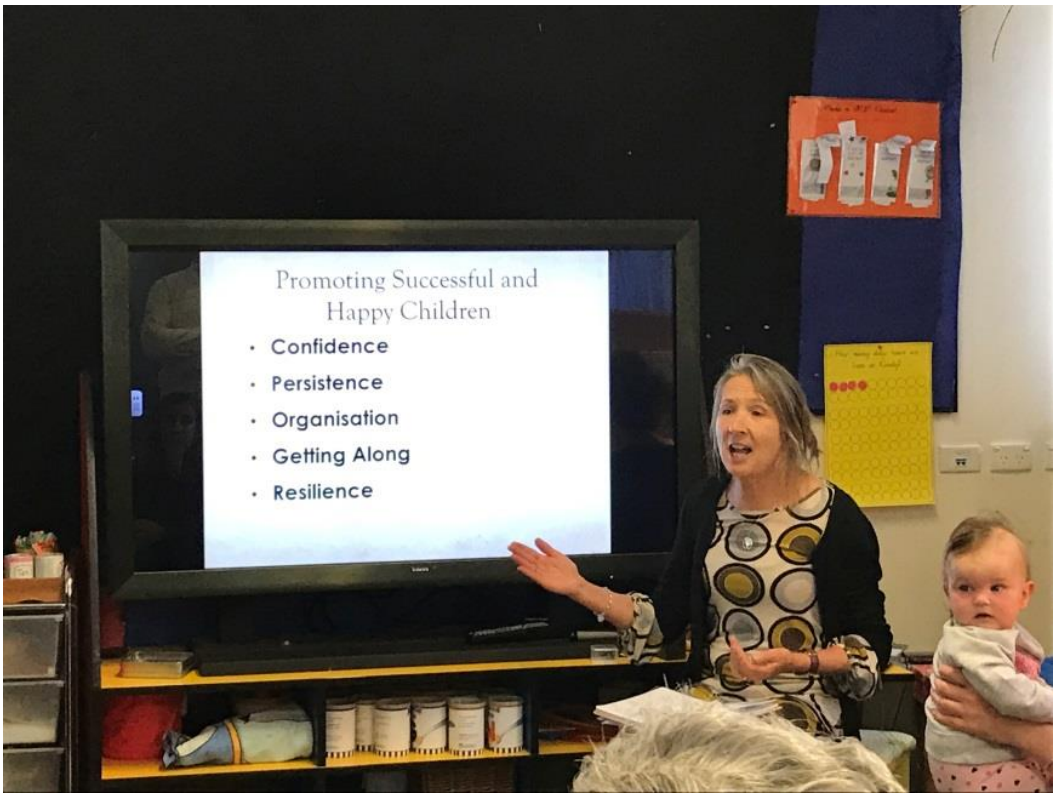
Kindy Families Gather

A very warm welcome to all our new Kindy students and their families.

Mrs Thomsett and Mrs Markovski invited the families to come in and find out what is in store for their children this year and explain how they can help them maximise their learning. Among the topics discussed were: play and learning, targets, incentives, routines, healthy food and birthdays. Here are a few snaps of the gatherings.

Kindy A families.



Kindy photos are always a bit tricky to take, but this one was super tricky after a busy morning.

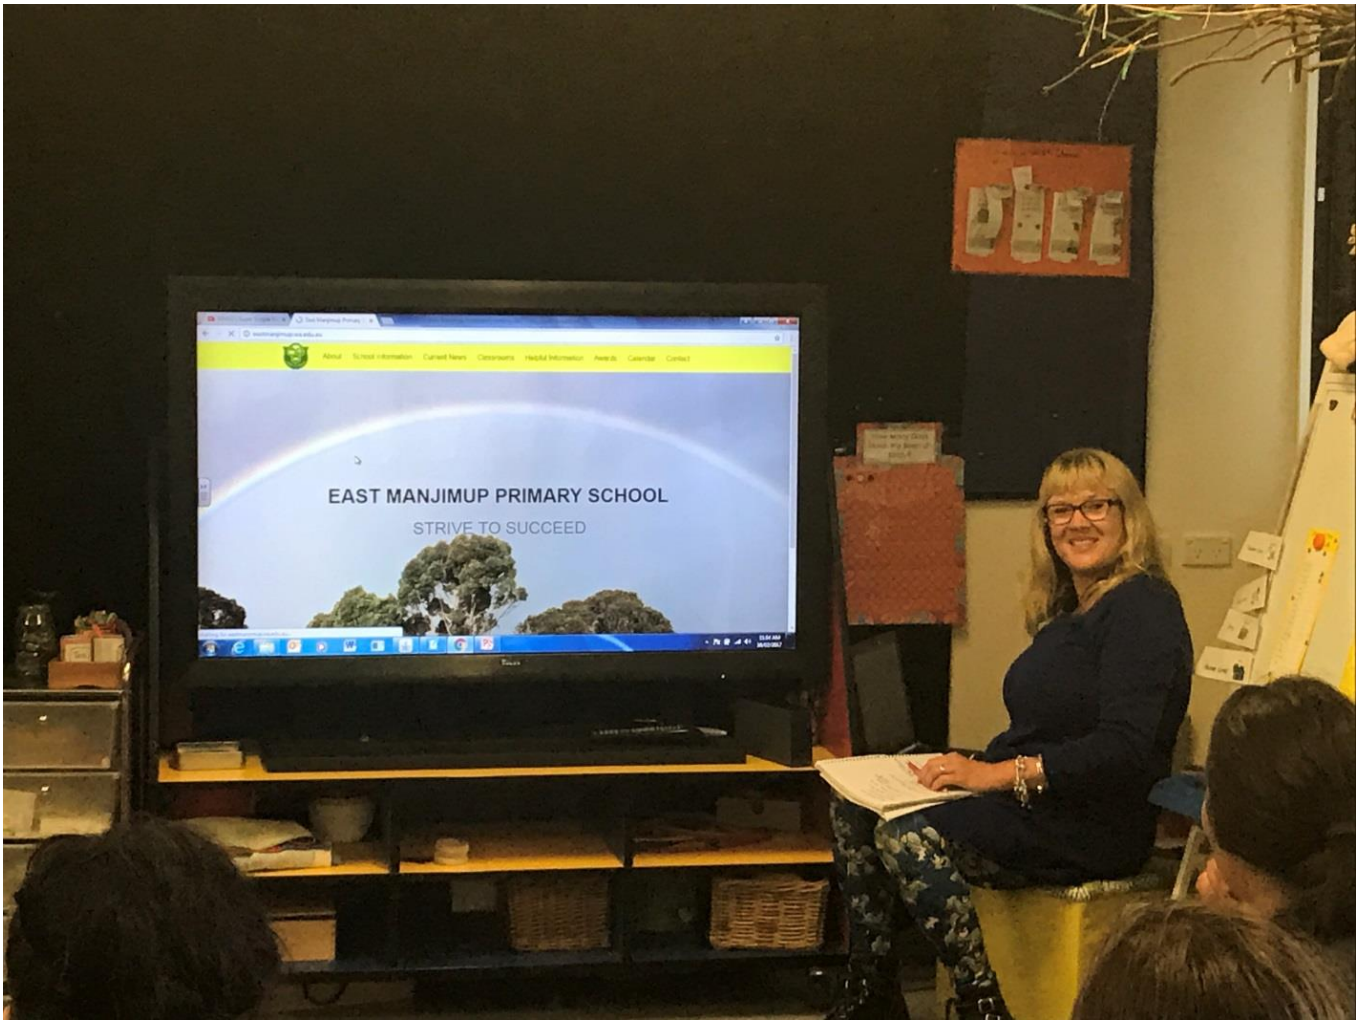
Aria Savidge and her family, some just arrived from England.

Erin and Julia Green shared a chat with Mrs Thomsett.

Lily and Kate Baker relaxed after the morning’s Kindy session.

Do you think Mrs Thomsett will choose her clothes to match the mat every Kindy session?

Mrs Markovski shared her joy and expertise in educating our young students.



A quick tour of the school website.

Another tricky photograph! This time it's Kindy B.

Thanks for coming in everyone and we're really looking forward to seeing your children soar. ☺
