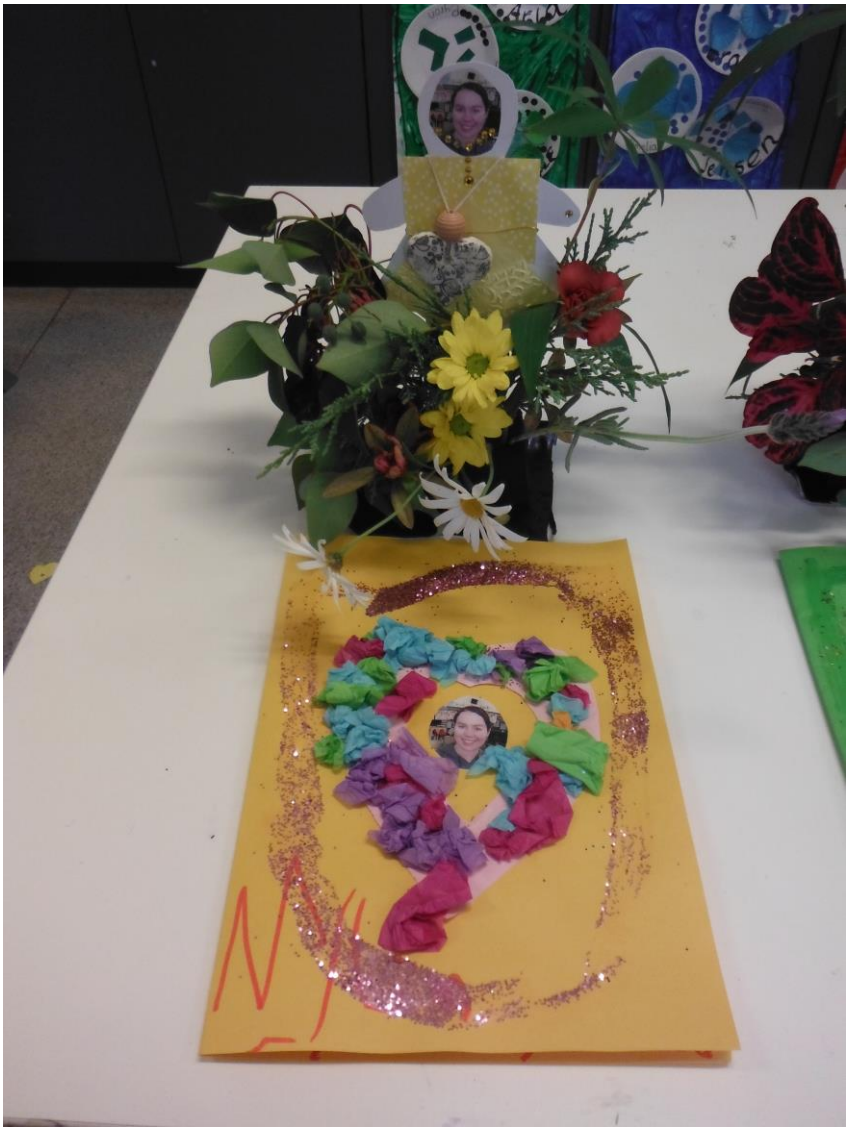
Getting ready for Mother's Day with Kindy B

We had fun working on "Secret Mother's Day business" in the weeks leading up to Mother's Day.

We took a photo of Mum so we could glue her head onto a body shape which we then decorated with clothes and lots of bling!

We also made a lovely necklace from salt dough and presented it all on a wonderful flower arrangement. On the back of the Mum shape was an invitation to our very special Mother's Day Pamper spa for the following Friday.

After a few songs for Mum we presented our gifts.


We hope you had a relaxing and enjoyable Mother's Day.
