Dear Parents and Community Members

Banners in the Terrace
The Shire of Manjimup banner created by our Room 3 and 4 students with adult assistance has recently been judged the winner of the Early Childhood category. A special presentation will be made at today's assembly. The banner is currently displayed in the school undercover area.

Book Week / Wa-Sa-Bi
What an amazing time we had on Thursday last week. Almost every student and staff member dressed up and the parade was great fun. The level of detail and effort put into costumes was very high. Everyone had a great time in the treasure hunt. Thank you to all parents and other family members who assisted in the hunt. Thank you also to parents / family members who visited the classes to see the sorts of things students have been doing over the year. The Japanese music event Wa-Sa-Bi was of a very high standard. I am sure people all over the town could have heard the drums!

A sincere thank you to Mrs Prosser, Mrs Rigoll, staff members and volunteers who organised the Book Week activities.

NAPLAN Online – School Readiness Test
We have run three School Readiness Tests. Our school has demonstrated it has the technical capabilities to run NAPLAN Online for 2019.
