Dear Parents and Community Members

Flus and Colds
On Tuesday this week we had nearly 40 students absent, and on Thursday over 40, most we understand due to sickness. There do seem to be a number of 'bugs' going around, and the influenza virus appears rampant at the moment in WA. Please emphasise with your children the importance of personal health care and hygiene. Do consider having the flu vaccine (and for your children). Students who are obviously not well – do keep at home until they are well.

Going out today to families is an A3 information page about influenza – please take time to read it.

Immunisations
Any family enrolling their child into Kindergarten or any other year level is required by law to provide their child's Immunisation History Statement. Please also note there are legislative changes in progress that, if passed, will require (with rare exception) a child's immunisation status to be 'up to date' as a condition of enrolment into Kindergarten.

Triple P Parenting Program
This is a highly regarded international parenting program, aimed at parents of children aged 2 – 8. The program has been run in Manjimup previously and it can be held again if enough interest is shown by families. If you are interested please contact the school.

Dental Van – has returned to EMPS!
The lovely dental ladies Judy and Carmen have returned, with the dental van operating for the next 5-6 months at EMPS. Please see further information in this newsletter.

Bus Zone
On O'Connor St running parallel to the path is a Bus Zone. There are signs indicating Buses Only. A reminder that cars should not pull over or park in the Bus Zone.

Assembly
Due to the amount of sickness we have faced this week, today's Room 5 assembly has been postponed to Friday 28 June (Week 9). The Room 3 assembly will now be held on the last day of term – Friday 5 July.

Swimming Lessons
A number of students have been asking when Yr 3-6 lessons will be held. At this stage we do not have a date, but they will NOT be this term.

Cross Country Events
Congratulations to the 28s faction in winning the EMPS Cross Country Shield last week.

The Interschool Cross Country will be held at our school on Friday next week. Notes were given yesterday to students who will be representing our school.

Skipperoos
Well done to our Skipperoos and Mrs Cawley in visiting Kearnan College last week. During the visit the Skipperoos performed a number of skipping tricks and also spent time with the older primary children teaching some of the skills and tricks.

School Board
At yesterday's School Board meeting we looked at:

- Student Behaviour Management Policy, including our new Good Standing Policy
- School Finances
- Results of our Public School Review

Book Fair
Thank you Mrs Rigoll in organising a very successful Book Fair, and thank you to all families and students who purchased books and other resources. It was most pleasing to see children (and parents) excited about books – may we never see books superseded by screens.

Screen Time
Tip 1 Model Healthy Electronic Use
In these days of many screens it is very much worth considering the amount of time adults and children are spending on them. It does concern me many adults seem so consumed by their mobile phones that they are incessantly looking at them whilst crossing the road and also at junior sport whilst their children are playing. IF we want our children to spend less time on screens we need to do the same. Over the next few months I will continue to include in the newsletter some tips to reduce screen time.

Regards
Michael Smith PRINCIPAL

SCHOOL DENTAL VAN

The Dental Van is currently located at East Manjimup Primary School. Appointments for those children who are already enrolled with us will be issued over the next few months.

Please ensure that we have your current mailing address and phone numbers.

We ask that a parent or carer attends the examination appointment with their child. This is to discuss any treatment which may be needed and sign any relevant consent forms. If you are not able to attend please contact us to arrange a more suitable time.

If you are not able to attend your appointment we are able to bring your child in from their classroom, but you must contact us beforehand to give permission for this to happen.

All school children from Pre Primary to Year 11 are eligible to enrol with us to access this service.

General dental treatment provided is free and is not means tested. All children within the set age limits are able to apply to enrol with us.

If you have any questions please contact us by phone 0409935793, or email: manjimupmobile@dental.health.wa.gov.au

STARS OF WEEK 5
HONESTY AND TRUSTWORTHINESS

SPENCER TOWERTON for always sharing and caring in the classroom, being a good friend to everyone. Well done!

HARLEE FRANKLIN for being a responsible class member who can always be trusted to complete a task, or behave appropriately regardless of who is watching. Well done Harlee!

BRODIE RAYSON for being reliably honest and up-front, even when it is uncomfortable to do so.

JACK COOK for recognising when other class members need to have a turn during activities.

DEAGAN BAMESS for developing independent work habits and always completing work to the best of his ability.

BRAXTON BACHOS for always being honest and encouraging your classmates to do the 'right thing'.

KOBY BROWN for being noticed by his peers for ALWAYS doing his work even when the teacher is not looking. Fabulous.

KALEB BROAD for valuing honesty and treating your peers with tolerance and fairness. Well done Kaleb!

SHYLA FAGAN for displaying maturity by being a reliable class member. Shyla can be depended on for her honesty.

JOSHUA THOMPSON for an enthusiastic and energetic approach to activities, and being the best you can be at all times.

MASON GOODRIDGE for being honest and owning up and taking responsibility if he disrupts the class by talking!!

DASSY NUNN for simply being yourself. You are an absolute delight and a pleasure to have in Room 4.

FLOYD CRAIG for being an honest class member who always strives to do his best and looks after his friends with care and consideration.

STARS OF WEEK 6

INTEGRITY

LOGAN WALES for displaying positive behaviour continually during instructions, prompting others to do the same. Well done and great effort Logan!

AIDEN RIMBAS for being noticed by the class that you are able to complete your work without teacher supervision.

TYLER MITCHELL for becoming a more responsible class member and always doing the right thing by your classmates.

MARCO RADOMILJAC for being an up-front fellow with a great work ethic. Marco, you nearly always do the right thing, and you are brave when in the wrong!

LEXIA RIMBAS for standing up for the rights of others and letting people know when something is not fair.

KATIE CROSBY for fulfilling her commitment to run skipping club this week even though she felt exhausted from 21 games of hockey over the weekend and had a lot of blisters on both heels. It would have been very easy to ask to be excused.

MONIQA WOLFS for being a wonderful student who treats others with honesty, and with kindness and consideration.

AMELIA MITCHELL for being your beautiful self. You can always be relied upon to do the right thing. Thank you.

ERIN GREEN for consistently making good choices and fulfilling your commitments.

Congratulations to all of our students for their enthusiastic participation last Friday! We had great weather, fantastic parent support and an outstanding group of helpers. Our students demonstrated all of our school values with their level of participation and the encouragement they provided to others. Good luck to all those students who will represent our school in the Interschool Cross-Country on the 14th June.
