Dear Parents and Community Members

Holidays
I hope all staff and students have an enjoyable, healthy and safe holiday break. I also hope all families who are getting some sort of break have a positive time over the next fortnight. Staff will be back at school on Monday 14 October and students return on Tuesday 15 October.

Hats – Term 4

A reminder students need to wear a wide-brimmed / bucket-style hat during Term 4. This is expected from Week 1 of Term 4.

Quiz Night
Every two years our P&C runs, as a major fundraiser, a quiz night. This year's quiz night will be held on Friday 25 October at the Catholic Parish Centre. Doors open at 6.00pm with the quiz starting at 7.00pm. Drinks will be on sale at the bar. BYO supper. Tables of 8. $10 per person. There will be plenty of great prizes throughout the night.

P&C Meeting
The next P&C meeting will be held on Thursday 17 October, at 7.00pm.

Cricket Carnival
Well done to our three Yr 5/6 teams who participated in the second Manjimup/Bridgetown Cricket Cup, at Imperials Oval last week. It was pleasing to see that despite the inclement weather our students wanted to play every game and stay on the field for as long as possible. Well done to our girls team in winning all of their games.

Asian Assembly
Congratulations to Bu Knowles and Bu Tiffany in organising a very entertaining, and high quality, annual Asian Assembly. The items included much oral Indonesian speaking and conversation, and good humour and fun too. It was also pleasing to have two representatives from the Indonesian Consulate (Perth) visit our school, spending time sharing with students and attending the assembly.

Speak Up Years 1/2
Well done to all of our Years 1/2 students for having a go at public speaking through the Speak Up program. On Wednesday we held the Yr 1/2 finals. It was quite inspiring to see such young students confidently speak publicly in front of the school and families.
Year 1:

2nd Faith Kanny-Coulter – Dragons
3rd Erin Green – Leaves

Year 2

School Development Day Term Four
A reminder that the first Monday of Term Four, 14 October, is a School Development Day. Students return on Tuesday 15 October.

Messy Play Day (0-6 year olds)
The annual Messy Play Day (organised by Warren Blackwood Early Years Network) is on during the holidays, Wednesday 9 October, from 10.00am to 12.00pm. It will be held at the Timber Park. It is important children wear old clothes.

Screen Time
Tip 8 – Make Screen Time A Privilege
Screen time should be a privilege and not a right. Once you've set a limit on how much screen time is allowed, don't allow your children to earn extra time as a reward. Instead stick to the daily limit and offer other free or low-cost rewards.

Regards

Michael Smith

Delivering the NDIS in your Community

Early Intervention (ECEI)

Wanslea is the National Disability Insurance Agency (NDIA) provider that delivers Early Childhood Early Intervention supports for children aged 0-6. Early intervention is important to ensure children with developmental delay or disability have the best start in life.

If you have concerns about your child's development, then ECEI can help you to get information and access to supports. You and other caregivers will be provided with ways to help your child develop the skills they need to take part in daily activities and achieve the best possible outcomes throughout their life.

Eligibility?
Our ECEI service supports children 0-6 years with developmental delay or disability and their families/ carers in the South West. Great Southern. South Metropolitan. South East Metropolitan, Central South Metropolitan and Inner Wheatbelt areas.

How does it work?
We recognise that each child is different, so we tailor your child's supports to meet their individual needs and circumstances. Your child is best placed to receive their supports through activities in the community such as playgroup or early learning centres.

Wanslea's Early Childhood team
Our team is qualified, skilled and passionate about supporting children with developmental delay or disability. Our team includes occupational therapists, speech pathologists, early childhood teachers, psychologists and physiotherapists. They will use their experience and knowledge to:

- connect you and your child with the most appropriate supports in your area
- provide some short-term early intervention where it is identified as the most appropriate support
- help you to request National Disability Insurance Scheme (NDIS) access if your child requires longer-term early childhood intervention supports
